Heartfelt 
THANKS
**TO OUR VOLUNTEERS
& GENEROUS DONORS!**

We had overwhelming support from our community businesses, parents, family members of students (both past and present), teachers, and SFLC Board & extracurricular activities that gave donations to make our auction possible. Thank you also to the Room Moms that helped collect classroom carnival funds and to all the parents that contributed donations!

Thank you to all our hardworking committee members and volunteers (school staff, parents, and High School students) that came together to help make this year's Spring Carnival and Silent Auction a tremendous success!!

This was the first year our auction was online and due to everyone's generous support we were able to surpass our fundraising goal and raise \$10,630!!

Many Hands Make LIGHT Work

A Message From the Director

Another great school year is coming to a close, and on behalf of the School for Little Children staff, I want to express how much we have enjoyed watching and participating in your child's growth and development over these past months. We sincerely appreciate your support and encouragement as well as the trust you have placed in us as we have worked to give your child the best possible school experience.

Congratulations to our Kindergarten students! As they begin a new phase in their school experience, we pray that they will carry with them the love and lessons they have learned during their years at School for Little Children.

Thank you, parents, for contributing your time and talent to our school. We sincerely appreciate your role in making this a successful school year. We would like to give a heartfelt thanks to our outstanding Parents' Group, who has provided exceptional leadership and countless volunteer hours to support our students and staff.

We look forward to our upcoming Sensational Summer program, and hope that your child will participate.

May your summer be filled with God's peace and many blessings.
